- Ultra-rugged headband construction
- 3-Year Warranty Program*
- Conceived and designed by BEHRINGER Germany

As a DJ, you want headphones that deliver high-definition bass and super-transparent highs across an ultra-wide dynamic range. Our HPX2000 headphones feature high-efficiency cobalt capsules that provide incredible high-resolution performance – at a price that is very kind to every budget!

Let Them Blow Your Mind

The HPX2000 provides everything you need for comfortable listening. The two rotating, reversible ear cups contain high-resolution cobalt capsules that deliver every nuance of your sound. And because of the demands of your active lifestyle, we've engineered the one-sided cable from the finest oxygen-free copper wire that resists tangling and provides maximum durability. The HPX2000 also comes with a 1/4" TRS adapter for the 1/8" TRS connector, making it compatible with everything from your smartphone – to your mixing console.
