DMP-230V2B (with Bluetooth module)
 Order Number.....2003311
 Single unit EAN-13.....5060502920966
 Single Carton size.....260x255x90mm
 Single Carton gross weight.....1.16kg
 Units per master carton.....4
 Master carton size.....390x285x280mm
 Master carton gross weight.....5.34kg

Designed to add MP3 file replay and FM radio reception to any professional audio system, the DMP-230V2 sports intuitive use, excellent audio quality and the added value of an in-built jingle player with scheduling. The latter allows to insert jingles (like advertisements, etc.) either at the touch of a button or in certain time intervals into the running program. A large LCD provides clear status information and read-out of MP3 file names and RDS radio text, and an included IR remote control provides additional convenience in daily use. Packed in a rugged metal case with stylish plastic side cheeks, the DMP-230V2 can be operated stand-alone or mounted into a 19" rack by means of the optional rack kit (not included). Also available with additional built-in Bluetooth module as DMP-230V2B.

FEATURES

- Media player/tuner with file/folder access for USB thumbdrives/SD cards up to 16GB/2000 songs
- FAT32 file system
