Please dispose of this product separately from other waste and have it recycled to promote sustainable economic activity.

FEATURES

Solid and durable construction
Heavy duty zinc die-cast base
Ergonomic handling
Interchangeable colour rings

OPERATION

The MS 43 is a premium quality microphone stand with thick walled tubing, powder coated finish and 169 cm maximum height. The heavy duty tripod base is made of die cast zinc for an accurate fit of the ultra strong folding legs of steel with hefty rubber caps for surface protection.

For easy height adjustment the MS 43 sports a smooth, durable clutch with an ergonomic threaded handle made from high grade ABS with a soft touch, non-slip thermoplastic coating for comfortable operation. The custom designed retainer requires no tools for quick and secure microphone clip attachment.

A set of black coding rings is included with the MS 43, additional ring packs are available in a wide array of colours for instant personalization.
