

e 614

Overhead microphone designed for demanding applications

FEATURES

- Rugged design
- Effective rejection of incidental rear noise
- Excellent directivity across the whole frequency range
- Full, natural sound
- High maximum sound pressure level
- Wide frequency response

The **e 614** is a super-cardioid condenser microphone, designed for demanding instrument recordings and performances that require extended frequency response, high SPL handling, fast transient response and compact size. While drumset overhead miking was the first design priority, the e 614 also works exceptionally well on percussion setups as well, fitting comfortably into tight setups. The e 614 can handle high SPLs and features medium sensitivity, which ensures reduced bleed from other instruments on stage. Because of its excellent acoustic properties, this mic is also ideal for home recording.

ARCHITECT'S SPECIFICATIONS

The rugged microphone shall be a super-cardioid pre-polarized condenser designed for demanding instrument miking applications. The frequency response shall be 40 Hz – 20,000 Hz and the sensitivity (free field, no load) shall be 3 mV/P at 1 kHz. Maximum SPL shall be 139 dB at 1 kHz. Nominal impedance shall be 50 Ω, with a min. terminating impedance of 1 kΩ.

The microphone shall operate on 12 – 52 V phantom power and shall provide a 3-pin XLR connector. Dimensions shall be 20 x 100 mm (0.79" x 3.94"). Weight shall be 93 grams (3.28 oz). The microphone shall be the Sennheiser e 614.

TECHNICAL DATA

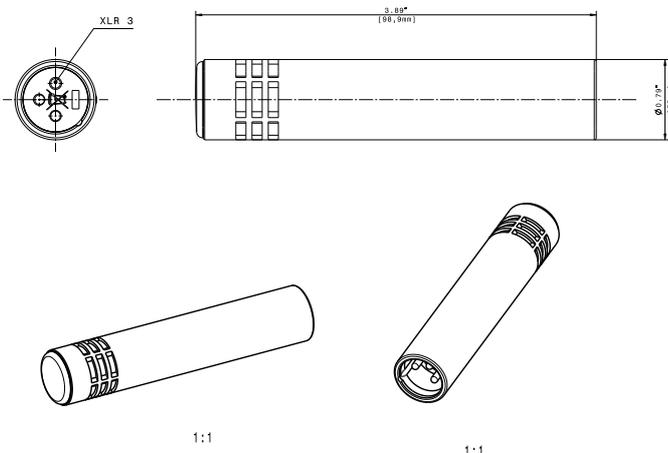

| | |
|--|------------------------------------|
| Transducer principle | pre-polarized condenser microphone |
| Frequency response | 40 – 20,000 Hz |
| Pick-up pattern | super-cardioid |
| Sensitivity (free field, no load at 1 kHz) | 3 mV/Pa |
| Max. sound pressure level at 1 kHz | 139 dB/SPL |
| Nominal impedance | 50 Ω |
| Min. terminating impedance | 1 k Ω |
| Phantom powering | 12 – 52 V / 3 mA |
| Connector | XLR-3 |
| Dimensions | ∅ 20 mm, L 100 mm |
| Weight | 93 g |

DELIVERY INCLUDES

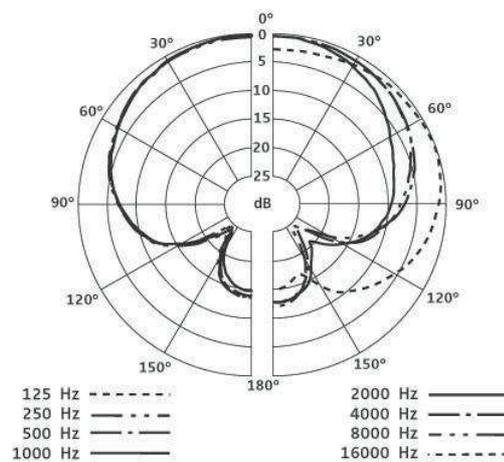

- 1 e 614
- 1 microphone clamp
- 1 Pouch
- Instructions for use
