

SHURE

AONIC FREE TRUE WIRELESS SOUND ISOLATING™ EARPHONES

Overview

Precision-engineered with the details in mind, the Shure AONIC FREE True Wireless Sound Isolating™ Earphones feature big sound in a small package. A sleek, true wireless design provides a comfortable, ergonomic fit with easily accessible button controls for seamless listening. The slim, flip-top carrying case with up to 21 hours of battery life make these the perfect companion for wherever the day takes you. True wireless freedom that fits in your pocket.

Features

- **Clear, studio-quality audio with deep bass.** Engineered from decades of experience developing products for music legends and performers of all kinds.
- **Sleek & portable true wireless design.** Enjoy secure fit in a hook-free form factor that stays comfortably in place all day.
- **Durable build quality that withstands sweat + the elements.** Designed to pass rigorous quality and durability testing for long-lasting endurance.
- **Sound Isolating™ technology naturally blocks out noise** and eliminates distractions. Enjoy the most immersive listening experience no matter where you are - on the train, in the gym, at the airport, or at home.
- **Environment Mode allows you to hear the outside world.** Activate with the push of a button on the earphone, or use the PausePlus feature in the app to automatically turn on Environment Mode when you pause your music from your earphones.
- **Up to 21 hours total battery life with pocketable carrying case** for uninterrupted audio on-the-go. The earphones hold up to 7 hours of battery life per charge, and the slim, flip-top carrying case provides two additional charges.
- **Customizable EQ.** Choose from multiple presets, or create your own custom EQ and using the free PLAY app. Saves directly to your earphones for easy transfer across other apps or devices.
- **Enjoy clear, stereo calls with exceptional audio** through beamforming microphones for video conferencing and phone calls. Mic placement is optimized for enhanced call clarity.
- **Onboard button controls** for quick access to volume, playback and calls.
- **Premium headphone amplifiers** and support for multiple codecs including Qualcomm® aptX™, AAC and SBC.
- **Bluetooth® 5 wireless technology** for enhanced stability and a range of up to 30 feet (10 meters). Pairs to phones, tablets and laptops for music and calls.
- **ShurePlus™ PLAY app** allows you to customize your EQ, button controls, Environment Mode and prompts. Free to download for iOS and Android.
- **Includes** a two-year warranty, pair of AONIC FREE Sound Isolating™ Earphones, Comply foam sleeves in S,M,L sizes for the perfect fit, premium charging case, and USB-C charging cable.
