

LIVERPOOL TLX84-RC4

Road Case for 4 TLX84 Line Array Elements

- Road case for 4 TLX84 line array elements
- Plywood construction with impact resistant aluminium extruded edges
- High density foam internal construction protects loudspeakers in transit
- Plated steel handles and locking butterfly catches
- Lockable plated steel castors with rubber tyres
- 1-Year Warranty Program*
- Designed and engineered in the U.K.

The TLX84-RC4 road case, for up to 4 TLX84 line array elements, is designed to withstand the rigours of live concert touring. It is constructed from 12 mm rigid plywood with 40 x 40 mm durable aluminium edging extrusions. High density foam provides internal support and superior protection in transit, night after night, city after city.

The TLX84-RC4 features premium plated steel hardware: lockable castors with rubber tyres, durable handles and locking butterfly catches for a long working life.

You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own **MUSIC Group** factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world. As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous **1-Year Warranty program**.

*Warranty details can be found at music-group.com.
